## VENUE SAFETY

The following important safety rules apply to the entire venue.

### Pup Play

Ground based pup play (on all fours) will only be permitted when there is a designated play area.

### Use of Silicone

Application of silicone for treating or changing into rubber should only occur in the designated area.

### BDSM

BDSM is permitted when safe, sane and consensual. Please speak to management before initiating rope play or flogging.

**Management reserves the right to refuse entry.**

**Management and staff take no responsibility for personal belongings which may be lost, stolen or misplaced.**
